

WORKSHOP CEF LJUBLJANA, (IPSAS) NOVEMBER 2016

Workshop on International Public Sector Accounting Standards (IPSASs), organised by CEF Ljubljana

Workshop on International Public Sector Accounting Standards was held in the period 21-23 November 2016 in Ljubljana. The workshop was attended by five auditors from the Audit Authority.

This workshop offered an opportunity to discuss IPSASs implementation in SEE countries. The initiative primarily focused on the most relevant and selected IPSASs for SEE countries. Topics discussed: accrual accounting concepts, as well as key IPSASs recognition, measurement, presentation and disclosure requirements; the practical implications and challenges of moving to accrual based IPSASs; the strategic implications of IPSASs adoption; selected IPSASs, relevant for SEE countries; planning a transition to IPSASs accruals accounting.

Training was delivered by three experts: from Head Center for Public Financial Management, Zurich University of Applied Sciences, from Public Financial Management Advisor for South East Europe, IMF and a Senior Policy Analyst from OECD.
