

CONFERENCE EUROPEAN TERRITORIAL COOPERATION in Sofia, Bulgaria, October 2015

The Conference “European Territorial Cooperation in the Republic of Bulgaria – Achievements bringing new perspectives, organized by the Ministry of Regional Development and Public Works of the Republic of Bulgaria was held on 13 October 2015 in Sofia.

The Conference was attended by the General IPA Auditor of the Audit Authority, the Assistant General IPA Auditor for IPA CBC Component, the Assistant General IPA Auditor for IPA Regional Development Component, and a junior auditor from IPA CBC Component, as representatives of the Audit Authority.

On the crossroads of two programming periods, the event was an official launch of the INTERREG Programmes 2014-2020 managed by the Republic of Bulgaria (Bulgaria-Macedonia, Bulgaria-Turkey, Bulgaria-Serbia) as well as a valuable forum for presenting achievements and good examples of the European Territorial Cooperation Programmes implemented in the previous period. The Conference was attended by institutions and bodies involved in the process of territorial cooperation: European Commission, Managing and National Authorities, regional and local authorities, beneficiaries, and other stakeholders.

There was an awarding ceremony for the best projects practices under the ETC programmes during 2007-2013.
