

2ND EUROPEAN TERRITORIAL COOPERATION CONFERENCE, Thessaloniki, Greece, June 2015

Participation to the 2nd European Territorial Cooperation Conference, organized by the Managing Authority of European Territorial Cooperation Programmes, 22-23 June 2015 in Thessaloniki, Greece.

The Conference was attended by the Advisor to GIPAA for methodology and audit development and the Assistant to GIPAA for component 2, as representatives of the Audit Authority.

This event was the official launch of the INTERREG Programming Period 2014-2020. The goal of the Conference was to present the Programmes Greece is managing (Greece-Bulgaria, Greece-Cyprus, Greece-Italy, Greece-Albania, Greece- Republic of Macedonia, Balkan-Mediterranean) as well as the Programmes Greece is participating in, to seek synergies and common ground for capitalization and to pave the way for the 1st Calls for Proposals.

Along with the conference a Projects' Fair, highlighting the Strategic Projects implemented during the 2007-2013 Programming Period was organized.
